## Dance Class

Children learn in different ways and as a preschool we have been seen the children's creativity grow within the arts. This January, we are privileged to have Studio 17 Dance Academy led by Ellie come to preschool every Wednesday for a dance session with the children. It promises to be exciting. If you are yet to sign up and would like your child to join, please contact Ms Rachael.

## Reminders

- 1--Please label your child's belongings including clothing, bags and water bottles.
- 2-- Ensure lunches are nut and chocolate free, we ask for water only at nursery and ensure grapes are cut in half (length ways) to avoid choking hazards.
- 3-- Please ensure your child has enough nappies, wipes and spare clothes for each session.
- 4--If you are going to be late please call in advance, late fees are £1 per minute.

## Story Telling

Starting from January, we will be visiting the local Library once a week for story telling/reading session. This is in line with our vision to help children develop interest in reading and prepare them for a life long learning. Kindly sign the consent form and return if you want your child to participate.
